### RESPONSIBILITY STATEMENT

The Directors collectively and individually accept full responsibility for the accuracy of the information contained in this circular and confirm, having made all reasonable enquiries, that to the best of their knowledge and belief, there are no other facts not contained in this circular, the omission of which would make any statement herein misleading.

Yours faithfully,  
For and on behalf of the Board  
**Da Ming International Holdings Limited**  
**Zhou Keming**  
*Chairman*

*This appendix serves as an explanatory statement as required by the Listing Rules to provide the requisite information to you for your consideration of the proposal to permit the granting to the Directors of the Repurchase Mandate.*

## **1. SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company was HK\$103,750,000 comprising 1,037,500,000 Shares.

Subject to the passing of the relevant ordinary resolutions at the Annual General Meeting and assuming that no further Shares are issued and repurchased by the Company, the Directors will be authorised to purchase up to 103,750,000 Shares pursuant to the Repurchase Mandate.

## **2. REASONS FOR REPURCHASES**

The Directors believe that it is in the best interests of the Company and its Shareholders to have a general authority from the Shareholders to enable the Directors to purchase the Shares in the market. Such purchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets or its earnings per Share or both and will only be made when the Directors believe that such purchases will benefit the Company and the Shareholders as a whole.

## **3. FUNDING OF REPURCHASES**

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and the Articles and all applicable laws. It is envisaged that the funds required for any repurchase would be derived from the distributable profits of the Company.

The Repurchase Mandate, if exercised in full, may have a material adverse effect on the working capital or gearing position of the Company as compared with the position disclosed in the Company's most recent published audited accounts. The Directors, however, do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital or the gearing level of the Company which in the opinion of the Directors is from time to time appropriate for the Company.

#### **4. DIRECTORS, THEIR ASSOCIATES AND CONNECTED PERSONS**

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective associates currently intends to sell the Shares to the Company under the Repurchase mandate in the event that it is granted by the Shareholders at the Annual General Meeting.

No connected person, as defined in the Listing Rules, has notified the Company that he has a present intention to sell any Shares to the Company, or that he has undertaken not to sell any Shares held by him to the Company, in the event that the Repurchase Mandate is granted by the Shareholders at the Annual General Meeting.

The Company has not repurchased any of its Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

#### **5. UNDERTAKING**

The Directors have undertaken to the Stock Exchange that they will exercise the Repurchase Mandate in accordance with the Listing Rules, the applicable laws of the Cayman Islands and the Articles so far as the same may be applicable.

#### **6. EFFECT OF THE TAKEOVERS CODE**

If, on the exercise of the power to repurchase the Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (as defined in the Takeovers Code), depending on the level of such increase, could obtain or consolidate control of the Company and may become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge of the Directors, Mr. Zhou Keming and Ms. Xu Xia, are the controlling shareholders of the Company through their interest in Ally Good Group Limited, are interested in 709,275,000 Shares, representing approximately 68.36% of the issued share capital of the Company. In the event that the Directors should exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the Repurchase Mandate, the shareholding interest of Mr. Zhou Keming and Ms. Xu Xia in the Company would be increased to approximately 75.96% of the issued share capital of the Company. Accordingly, such increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors have no present intention to exercise the power to repurchase Shares to the extent that the aggregate amount of the share capital of the Company in public hands would be reduced to less than 25%.

**7. SHARE PRICES**

The highest and lowest prices at which the Shares have traded on the Hong Kong Stock Exchange as quoted in the Hong Kong Stock Exchange's daily quotations sheets in each of the previous twelve months prior to the Latest Practicable Date are as follows:

	<b>Price Per Share</b>
